

Pouchables™

New!

Jump into these trendy popular flexible pouches the easy way with Pouchables™

Common Applications/Uses:

- ▶ Fill with health and beauty products, jewelry, potpourri, wedding favors, snacks, baking mix, and more
- ▶ Perfect for when you're just getting started and your quantity needs are small
- ▶ Use a combination of labels for maximum impact (front, back, burst)
- ▶ Great for when you're in a hurry because pouches are always available and labels can be produced quickly
- ▶ Ideal for short run batches and seasonal varieties

Ordering is easy!

Choose a blank stock pouch and personalize it with your custom label. Make an impressive impact with a vivid full color label or just be subtle with one of our standard imprint colors.
