

# Construction & Trade

## SIGNAGE BUILT TO WORK

- Turn heads with large **Banners** that can withstand any outdoor conditions Mother Nature has in store.
- Build awareness with durable **Yard Signs** that transform lawns or facades into front page ads.
- Capture passerby attention with **A-frames** that relay important safety or warning information.

## STICKING TO BUSINESS

- Class D hard hat **Labels** comply with regulation and promote worker safety.
- Make the most of time spent on the road with car door or **Window Decals** to raise awareness about your business.
- Draw the attention of potential clients with eye-catching **Posters**.

## BRAND-BUILDING COMMUNICATIONS

- **Folders** make a great first impression for construction companies to deliver estimates and bids to new customers.
- **Direct Mail** is a highly targeted and easily measured tool for generating leads and growing business.
- Utilize **Promotional Products** to provide repeat exposure to your brand, keeping it top of mind.

## Bookkeeping

Maintain a polished, professional look with company branded **Forms**, **Memo Pads**, **Pens** and other bookkeeping materials.

## Energy Solutions

Branded educational materials like **Brochures, Booklets** and **Flyers** make it easy for customers to explore sustainable energy options and connect once they've decided.

### REGULATION MATERIALS

- Heavily required, **Compliance Labels** promote business continuity and risk mitigation.
- Keeping customers and employees safe is a top priority. **Safety and Warning Labels** are ideal for projects as well as storing equipment safely.
- **Asset Labels** help manage inventory and assets, adding safety and streamlining audits.

### BRANDED LEAVE BEHINDS

- Branded **Contact Labels** are perfect for answering customer questions and initiating referrals.
- Door-to-door marketing is a great way to canvas areas and **Door Hangers** and **Rack Cards** are an ideal way to get information in front of many.
- Mailing **Postcards** after a project is complete is an excellent way to follow up for feedback or offer more expansive services.

### BUSINESS NECESSITIES

- **Custom Forms** make keeping detailed records of service a breeze and allow for extra copies of information for multiple parties.
- When bidding a project, stand out with **Branded Folders**. Keep proposals and project details all in one place for use and reference during decision-making.
- **Business Cards** help make a great first impression and are essential for providing all the ways to reach you.
