

Post-it® Notes

The original Canary Yellow is still the most popular color for Post-it® Notes. It just so happened to be the color of the scrap paper the inventor used to test his adhesive! ¹

Increase office efficiency with checklists, forms and routing slips that can be adhered to paperwork for easy review and sign-off.

Look for the Post-it® logo - these genuine 3M Post-it® Notes are a quality product from a brand you can rely on.

Custom Post-it® Notes can be used as coupons for the perfect tool to showcase a special offer or promotion. Stick them on take-out containers, invoices, marketing materials and more.

The average professional receives 11 messages on Post-it® Notes each day. ¹

COMBINE PRACTICALITY & STAYING POWER WITH Post-it® Notes!

Custom Post-it® Notes are a perfect method of passive advertisement - offering value in their utility, mobility, and brand recognition. Favored because they are so useful, Post-it® Notes go where other marketing materials can't. Every time something is jotted down on a note, your logo is seen - the rule of repetition is exceeded without irritation!

Branded Post-it® Notes are a cost-effective option to communicate your marketing message. People are trained to pay attention to Post-it® Notes. They get our attention FIRST and FAST!
