

BADGES

Wipe, erase and re-use with these erasable badges! Perfect for volunteers and temporary workers.

Metallic badges add a touch of prestige and elegance. Add full color printing for additional "WOW" factor!

Magnetic fasteners protect clothing and are a popular alternative to traditional pin backers.

Name badges are like a portable advertisement, taking your brand wherever your employees go.

Adding a photo to badges is an added form of security.

Choose the badge fastener option that best fits your need - including pin, swivel clip, military tack and more.*

* Available options vary by style.

BUILD BRAND AND NAME RECOGNITION - WITH BADGES!

Personalized name badges reinforce a company's brand one employee at a time. They help customers easily identify your employees, project a professional image, and help build relationships with customers by making your staff seem more approachable.

Designed to suit the nature of your business and the dress code, custom badge options assist in creating a connection, instilling confidence and improving morale.
