

CUSTOM FORMS

Glued edge is available on any side; top is default.

Many people still prefer physical forms due to their tactile nature and familiarity. In a recent study, 70% of respondents indicated a preference for paper-based surveys over online surveys. ¹

Custom printed forms are accessible in environments with limited or no internet access - perfect for field work and remote locations.

2- and 3-part options ensure you have the right number of copies to match your business workflow.

Consecutive numbering makes recordkeeping quick and accurate.
